The Lightning brand was first registered for business by Werthiem Laboratories

1978

Under the Lightning name, the iconic Scrubber product was introduced to the market

2004

Continued growth necessitated the move to a larger premises in Altona

ABOUT US

Charles Goodall saw an opportunity in 1955 to start his own business from the back yard of his suburban house selling eucalyptus oil products. As the business grew he moved to larger premises in Williamstown and at the same time acquired the Red Star business. Red Star was first registered in 1936 as a manufacturer of hand cleanser soap bars and as the retiring owners of the business knew Charles well, the transaction to sell the business was made.

His son Leigh joined the business in 1963 and continued the growth and evolution of the Red Star brand and in 1975, after taking over the reins of the business, Leigh acquired the Lightning brand of hand cleaner products.

In 1978 the popular and iconic Scrubber product was introduced to the market and it's still widely in use today.

In 1985, Leigh began pioneering the use of orange citrus in hand cleaners and as the business grew he soon realised he had to move to larger premises. So in 2004, he moved to a new site in Altona and to the day he has continued to be at the forefront of product innovation.

In 2018, the Penrite Group was given the opportunity to take over the Lightning brand and the inspiration is to make the Lightning name synonymous with cleaning, care & protection.

HAND CARE & CLEANERS

Lightning hand care and cleaners offer a wide variety of solutions including, scrubbers, jell and creams to meet your growing needs. Our hand care range expands from everyday use to industrial grade.

From the iconic Scrubber products to the newly developed Walnut Hand Scrub, our hand wash range has the strength to remove grease, oil, grime, paint, adhesives, and all other soils.

Together our Barrier Cream and Revive Skin Conditioner act as the perfect hand care routine for your working hands. The Barrier Cream acts as a barrier between the skin and hard soils while Revive Skin Conditioner helps prevent your hands from drying out and cracking.

SCRUBBER

A heavy duty petroleum based hand cleaner that quickly removes all types of hard industrial soils. It contains soaps, surfactants, mild solvents and high quality fine pumice plus emollients to help moisturise the skin.

BENEFITS

- Heavy duty to clean and remove soil & grime
- High quality fine pumice abrasive
- Contains lanolin for skin care
- Citrus lemon fragrance

Note: Not suitable for use with pumps

20L - 397JP

SCRUBBER LITE

An easy to pump version of the popular Scrubber. It is a heavy duty petroleum based hand cleaner that quickly removes all types of hard industrial soils. It contains soaps, surfactants, mild solvents and high quality fine pumice plus emollients to help moisturise the skin.

BENEFITS

- Easy to pump formula
- Heavy duty to clean and remove soil and grime
- High quality fine pumice abrasive
- Contains lanolin for skin care
- Fresh citrus fragrance

500g - 052C

3.5Kg - 052I

19Kg - 052J

JELL

The original heavy-duty petroleum-based hand cleaner quickly removes most types of hard industrial soils. It contains soaps, surfactants, mild solvents and citrus oil plus lanolin to moisturise the skin.

BENEFITS

- Heavy duty to clean and remove soil & grime
- No abrasive and does not require rinsing
- Contains lanolin for skin care
- Fresh citrus fragrance

Note: Not suitable for use with pumps

CITRAJELL

A premium quality, heavy duty petroleum based hand cleaner that contains pure citrus oils (d-limonene) that quickly removes all types of hard industrial soils. It contains soaps, surfactants, mild solvents and high quality pumice plus lanolin to moisturise the skin.

BENEFITS

- Heavy duty to clean and remove soil & grime
- High quality fine pumice abrasive
- Contains lanolin for skin care
- Fresh citrus fragrance

Note: Not suitable for use with pumps

4Kg - 395I

20Kg - 395J

ORANGE PUMICE

A heavy-duty hand cleaner that contains citrus oil and pumice that quickly removes most types of hard industrial soils.

BENEFITS

- Heavy duty to clean and remove soil & grime
- Contains fine pumice for quick and effective cleaning
- Added skin moisturiser
- Contains natural citrus oil (d-limonene) and leaves a fresh orange fragrance
- Suitable for both hard and soft water areas

500mL - 899C

2L - 899F

4L - 899I

20L - 899J

LEMON PUMICE

A non-petroleum, heavy-duty hand cleaner that contains citrus oil and pumice to quickly and effectively cleanse the hands of grease, oil, dirt and other spoils leaving them feeling fresh and supple. It contains no petroleum solvents or harsh alkalis so it will not dry out or crack the user's skin or leave unpleasant solvent odours. It contains selected conditioning agents and a non-persistent perfume to keep hands feeling fresh and free from irritation.

BENEFITS

- Heavy duty to clean and remove soil & grime
- Fine pumice abrasive for more effective cleaning
- Free of petroleum solvents and harsh alkalis
- Citrus fragrance
- Biodegradable & non toxic

2L - LTLHC002

20L - LTLHC020

Always test products on an inconspicuous area prior to direct application to a surface.

500mL - 820C

2L - 820F

20L - 820J

EUCALYPTUS FRESH

A premium quality, heavy duty biodegradable hand cleaner that contains eucalyptus oil that quickly removes all types of hard industrial soils. It contains soaps, surfactants, mild solvents and high quality pumice plus lanolin to moisturise the skin.

BENEFITS

- Heavy duty to clean and remove soil & grime
- High quality pumice abrasive
- Contains lanolin for skincare
- Pleasant eucalyptus fragrance
- Biodegradable

500mL - 999C

4L - 999I

CITRUS CREAM

A unique heavy duty hand cleaner that contains natural citrus oils (d-Limonene) and lanolin that quickly removes most types of hard industrial soils. It is recommended for use as a commercial and domestic hand cleaner that doesn't contain pumice. It can be used for automotive workshops and service centres, marine, industrial, agriculture, mining and forestry industries.

BENEFITS

- Heavy duty to clean and remove grease, carbon, rubber, soil & grime
- Contains no abrasive
- Contains lanolin for skincare
- Fresh citrus fragrance

240mL - LTWS240

2L - LTWS002

4L - LTWS004

2L/4L Dispenser - LTWS0

WALNUT HAND SCRUB (TUFFNUT)

A heavy-duty, biodegradable hand cleaner containing all natural abrasives with no harsh solvents. Formulated with surfactants, walnut shells and pumice to help exfoliate the skin and remove even the toughest soils. It contains mild cleansers and skin conditioners that are gentle and leave hands clean and smooth.

BENEFITS

- Ideal for industrial and automotive shops
- Free from harsh solvents and gentle on the skin
- Formulated with surfactants
- Uses walnut shells and pumice to exfoliate the skin
- Contains mild cleansers and skin conditioners to leave hands clean and smooth
- Biodegradable
- Pleasant Rainforest scent

Note: LTWS0 (2L/4L Black Wall Mounted Dispenser)

500mL - 063CBOT

BOTANICAL

A liquid hand soap that is enriched with Australian Kakadu plum extracts, as well as sweet orange, and mandarin oils. It contains skin conditioners to keep hands hydrated. It is blended to gently and effectively clean, condition and nourish the skin without altering the skins natural pH.

BENEFITS

- Cleans and nourishes skin
- Suitable for wall top fill dispensers
- Pleasant botanical fragrance
- Contains Australian kakadu plum extracts and sweet orange and mandarin oils

500mL - 055C

BARRIER CREAM

A hand protection cream that creates an insulating barrier between the skin and hard soils to help retain moisture and avoid skin irritations. It contains Almond and Avocado oils that makes hands easier to clean and vitamin E to prevent the skin from drying and cracking.

BENEFITS

- Provides a protective barrier for the skin
- Contains vitamin E to soften and moisturise the hands
- Non greasy formula that protects for hours
- Prevents skin irritations
- Utilises natural plant-based oils without added fragrances
- Makes hands easier to clean afterwards

500mL - 150C

REVIVE SKIN CONDITIONER

A after-work skin repair hand cream that penetrates dry and chafed skin and softens damaged skin. It contains calendula oil and tea tree oil that offers gentle and soothing relief.

BENEFITS

- Soothing relief for irritated skin
- Contains calendula oil to heal and moisturise the skin
- Re-hydrates dry and damaged skin
- Safe for all over body protection

20L - 066T

W66 MULTI-SURFACE & GLASS CLEANER

A streak free multi-surface and glass cleaner that is quick-drying and anti-static to repel dust and grime keeping surfaces cleaner for longer.

It is recommended for removing dust, dirt and grime from all the types of surfaces found in the home and workplace including kitchens, bathrooms, toilets, laundries and other hard surface wet areas.

BENEFITS

- Glass and multi-surface cleaner in one
- Streak-free cleaning
- Anti-static to repel dust and grime
- Safe for most surfaces

20L - 046T

ISD (INSTANT SOLVENT DEGREASER)

A solvent based ready to use general degreaser which is non-corrosive, non-caustic and contains a rust inhibitor.

It can be used in soaker tanks as well as a general degreaser for engine and parts cleaning where needed.

BENEFITS

- Quick break formula for use in triple interceptors
- Quickly dissolves grease and oil from most surfaces
- Contains a rust inhibitor
- Low toxicity for safer handling

20L - MASD020

205L - MASD0205

SOLVENT DEGREASER

A professional strength, solvent based degreaser that rapidly dissolves oil, grease, brake dust, silicone and other contaminants. Its solvent base consists of a blend of emulsifying agents and petroleum hydrocarbons that rapidly breaks down oily residue, grease and sludge.

BENEFITS

- Professional strength
- Solvent base breaks down grease, oil and sludge with ease
- Fast acting, non corrosive formulation
- Cleans parts without the need for dismantling

Always test products on an inconspicuous area prior to direct application to a surface.

20L - LTPWF020

PARTS WASHING FLUID

A solvent based, non-emulsifiable degreaser designed specifically for use in automotive and industrial parts washing machines. It quickly dissolves all petroleum based oils and greases from ferrous and non-ferrous metals, most plastic and painted surfaces.

It is ideal for use in circulating, agitating, immersion and continuous parts washing machines, cleaning and soaker tanks.

BENEFITS

- Dissolves grease and oil from most surfaces
- Excellent for use in parts washing machines
- Ideal as a soaker for parts cleaner

20L - MABAPC020

BRAKE AND PARTS CLEANER

A professional strength, residue-free cleaner that rapidly dissolves oil, grease, brake dust, silicone and other contaminants on brake components. Surfaces are left clean and dry even after removing the most stubborn of contaminants.

BENEFITS

- Professional strength
- Evaporates completely without residue or staining
- Fast-acting and non-corrosive
- Cleans brake parts without the need for dismantling
- Cleans and degreases
- Free from aromatic or halogenated hydrocarbons

20L - BIOCLEAN020

BIOCLEAN

A industrial strength, all purpose, heavy duty product that can be used as both a degreaser and detergent. It is water based, biodegradable and phosphate-free, making it environmentally safer to use. It is also a quick-break detergent, allowing oil and water to separate making it easier to remove the oil/grease layer when used with oil/water separators, interceptor pits and oil traps.

BENEFITS

- Water based, non flammable
- Biodegradable, quick-break formulation
- Effective degreaser and detergent
- Easy and economical to use; easy to rinse off
- Pleasant citrus fragrance
- Wide range of applications; suitable for most surfaces

Always test products on an inconspicuous area prior to direct application to a surface.

CLEANERS & DEGREASERS

EUCALYPTUS DISINFECTANT

20L - 017T

EUCALYPTUS DISINFECTANT

A general and commercial grade, heavy duty disinfectant. It contains fast acting surfactants that provide exceptional performance and efficiency for cleaning and disinfecting. It is specifically formulated for use in cleaning and disinfecting all types of surface areas. Its biodegradable and phosphate free formulation make it suitable for many applications including use in food preparation areas.

It is suitable for use on a wide range of surfaces such as tiles, painted surfaces, stainless steel, ceramic, plastic, laminated surfaces and aluminium. It can be used for cleaning and disinfecting of bathrooms, kitchens, laundries, showers, baths and sinks, toilets, rubbish bins, change rooms, urinals and drains.

BENEFITS

- Powerful fast acting surfactants
- Multiple uses for cleaning and disinfecting
- Pleasant Eucalyptus fragrance
- Cleans, deodorises, and sanitises
- Suitable for food preparation areas
- Kills germs and bacteria

BRITE METAL POLISH

A cream metal cleaner and polish that removes oxidation, tarnish and corrosion from metal surfaces. It contains specialised microcrystalline waxes to seal the polished surface and protect it from further oxidation.

Suitable for use on aluminium, chrome, copper, nickel, brass, stainless steel and silver. It can be used for marine, automotive, commercial and domestic use.

It is ideal for removing glazing and scratches on composite materials such as headlights. Excellent for vehicle chrome work where it removes built-up road grime.

BENEFITS

- Wipe on wipe off, easy application with no residue
- Removes oxidation, tarnish and corrosion from surfaces
- Leaves surfaces with an extreme shine
- Suitable for most metals

90mL - 82390
(Carton Qty: 6)

TYRE SHINE

A long lasting, rich, deep shine, "Wet Look" spray for the tyres. It simultaneously improves the appearance of the tyres and maintains and protects them from cracking, premature aging, brown discolouration and colour bleaching. It improves the appearance of the vehicle and gives it a finishing touch.

Can be used as a tyre maintenance product for all types of vehicle tyres. Suitable for passenger cars, 4WD's, light and heavy duty commercial vehicles. It is easy to apply and can last for several weeks depending on conditions.

BENEFITS

- Cleans and protect tyres.
- Stops tyres from prematurely aging and cracking
- Provides a professional job presentation
- Spray formulation for easy & even coverage
- Economical, quick & easy to use

30 Pack - LQR030

QUICK RAG

Clean, soft and re-usable microfiber cloths for use where a clean, dry and non-scratch cloth is needed for spills, wipe ups and many other tasks.

It can be used for tasks such as - vehicle polishing, window cleaning, wiping hands, wiping spills and general cleaning where a normal cloth rag was once used.

BENEFITS

- Clean, dry and soft cloths
- Large 30cm x 30cm size
- Economical 30 per box size
- Convenient, washable and re-usable
- Can be used wet or dry, with or without chemicals
- No hard edges that can scratch surfaces
- Highly absorbent for cleaning up spills
- Excellent for all types of cleaning jobs

1 Pack - LTPC

POLISHING CLOTH

The ultra-soft dual-sided 100% microfiber polishing cloth provides excellent results with no trace of lint, streaks or scratches.

It is ideal for use with Lightning Brite Metal Polish. The ultra-absorbent microfibres remove polish and wax residues effortlessly, leaving an extreme shine.

BENEFITS

- Large 30cm x 40cm size
- Lint & scratch free design
- Washable & reusable
- Designed especially for polishing producing an extreme shine

15Kg - ZSORB

ZSORB

A all-natural, environmentally friendly industrial oil absorbent product with no free crystalline silica. Absorbs most liquids including acids, alkalis, oils, chemicals & petroleum products. It also absorbs vapours & fumes.

Can be used as a sweeping compound, removing traces of oil and chemicals on concrete and asphalt. An inert, natural absorbent for almost any liquid spill, leaving minimal residual, quick and easy to clean up.

BENEFITS

- Non-toxic and organic
- Absorbs most liquids
- Natural and environmentally friendly
- Contains no free crystalline silica
- Quick and easy to use

PUMPS AND TAPS

Easily decant a range of Lightning products with these specially designed pumps and taps.

No need to open lids with these easy to use hand pumps designed for Lightning products.

CAR & TRUCK WASH

4L - 501N
(Carton Qty: 4)

FLASH WASH LIQUID VEHICLE CLEANER

A biodegradable, non-phosphate concentrated vehicle wash designed to remove all soils on vehicle paintwork and chassis. It contains a water soluble wax and fluoropolymer to give a residual shine and protective coating that helps prevent re-soiling of the surfaces for a freshly washed look that lasts longer. It also has a built in rust inhibitor to protect all metal surfaces from corrosion.

BENEFITS

- Biodegradable, phosphate free formulation
- Contains rust inhibitor for metal protection
- Leaves surfaces shining
- Works in all pressure wash systems

20L - 501T

20L - DETCTW020

MULTI-PURPOSE WASH

A heavy duty, multi-purpose, biodegradable, detergent cleaner, capable of cleaning the most heavily soiled vehicles. Its unique formulation will not cause damage or streaking to the paintwork. It is safe to use on all modern automotive paintwork finishes and will not harm aluminium, vinyl, rubber, glass or fibreglass. It is pH neutral and free of phosphate and salt, making it environmentally safer to use. It is also a quick-break detergent, allowing oil and water to separate, making it easier to remove the oil/grease layer when used with oil/water separators, interceptor pits and oil traps.

BENEFITS

- Water based and non-flammable
- Biodegradable, quick-break formulation
- pH neutral, phosphate and salt free
- Easy and economical to use
- Capable of heavy duty cleaning
- Wide range of usage
